

HOUSEHOLD CYBER SAFETY

Cyber Safety Card for Kids

By: Joseph Gonzalez

Best For	Children under 13 and family conversations
Use	Read with a trusted adult. Keep it near a shared computer or tablet.
Inside	Simple child friendly rules for clicking, sharing, gaming, and asking for help.

For educational use. Share with family members, caregivers, teachers, and community groups. The goal is calm action, not fear.

Cyber Safety Card for Kids

Use this guide as a calm checklist. Read one section, take one action, and come back later for the next step.

Kids safety card

You are not in trouble for asking for help. If something feels weird, show a trusted adult.

- Ask before clicking links.
- Ask before downloading games or apps.
- Do not share your real name, address, school, phone number, or passwords.
- Do not accept friend requests from people you do not know in real life.
- If a message scares you, stop and show an adult.

Español

No estás en problemas por pedir ayuda. Si algo se siente raro, enséñalo a un adulto de confianza.

- Pregunta antes de hacer clic.
- Pregunta antes de descargar juegos o aplicaciones.
- No compartas tu nombre real, dirección, escuela, teléfono o contraseñas.
- No aceptes solicitudes de personas que no conoces en la vida real.
- Si un mensaje te asusta, detente y muéstralo a un adulto.

Reminder: Stop, Check, Ask. If something feels urgent, strange, or scary, slow down and verify with a trusted source.
