

Digital Privacy and Fraud Prevention Quick Start

Quick actions to reduce exposure, scams, and account takeover risk.

Audience	Households that want to protect personal information and money.
Purpose	Turn broad privacy advice into practical household actions.
Best use	Use this before working through the detailed privacy guides.

Start here

☐	Add a carrier PIN and ask about number transfer protection.
☐	Turn on bank and card alerts.
☐	Review privacy settings on social media.
☐	Remove old public information when possible.
☐	Do not pay with gift cards, wire transfer, or crypto when pressured.
☐	Ask before installing unfamiliar apps.

Household rule

Money, codes, passwords, and private photos require a pause and a second person check.

Keep this guide near the device or account it protects. Small habits make a real difference when they are repeated.
