

Privacy and Online Presence

Share less, control more, and reduce information that scammers can use.

Audience	Anyone with social profiles, old accounts, public photos, or exposed contact information.
Purpose	Make personal information harder to collect and abuse.
Best use	Use during a monthly or quarterly privacy checkup.

Review these areas

☐	Public social media profiles.
☐	Old accounts and forgotten logins.
☐	Location history and photo tags.
☐	Data broker search results.
☐	Security questions that use public facts.

Safer actions

☐	Set profiles to private when possible.
☐	Remove old addresses and phone numbers from public profiles.
☐	Limit who can see posts and photos.
☐	Avoid posting travel plans in real time.
☐	Use answers to security questions that are not public facts.

Keep this guide near the device or account it protects. Small habits make a real difference when they are repeated.
